Volume XX

Salinas, California, Friday, October 6, 1950

Number 3

AS WE SEE IT

By GEORGE JACKSON

Should the Hartnell football team come out as well in their game with Fresno J.C. tomorrow evening as they did last week against Taft J.C., look for a big change when they return home to play Stockton next week.

There was a crowd of about 3,000 in the stands last Friday night, and the big reason for the poor attendance was the fact that local fans thought they would not beat Taft J.C. Now that they have proved they can win and show prospects for a good season, just watch the locals hop on the bandwagon.

It's happened before. Two years ago, when Hartnell came up with a real strong outfit, all the talk around town was "our boys really looked good last week" and if a person did not see all the games, there was something wrong with him.

Last year, however, the won-lost record did not look as nice. All over town it was, "Hartnell sure doesn't have it this year," and anyone who attended the games had a hole in his head.

With prospects for a good season ahead, just watch the "fans" block to the games to see "our boys" play, although many of this year's "our boys" were just known as "Hartnell" last season.

Thanks to Advertisers

While still in the football vein, it might be a good thing to thank the local merchants who sponsored the full page in the Salinas Californian last Friday. It helped boost the first game of the season and helped get the year started in the right direction. It is this kind of aid and co-operation which has been shown by some local groups which marks them as real fans, not just "fair weather fans."

FROSH ELECTION

It would appear that there could have been more care taken with the freshman election held last week. A very poor job was done on the ballots, for there was not any notification of the proper manner for marking the ballots, and no space allotted for write-in candidates.

These details may seem insignificant, but it is such small matters which make the American system of election the great institution that it is. This system of elections is carried down in all levels of government, from federal elections to our student elections.

FIELD DAY

Next Wednesday will be held one of the outstanding social events, the Men's Club Field Day, and its success is due to co-operation and participation by all of the students. It's easy enough for all to participate in the chicken dinner, although there does not seem to be the interest in the other activities of the day.

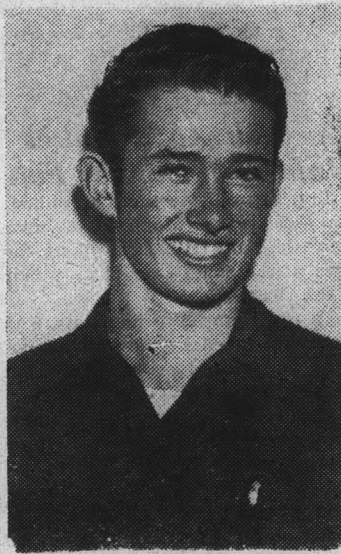

The greatest benefit of the day is the good relations between the

New Commissioners

Clifford Herman, left, interclub council representative, is vice-president of the interclub council representing Block "H." Cliff is a third year student here at Hartnell and was a member of the tennis team. He graduated from Salinas Union High School. He is majoring in education. Hector Burke, who is a freshman at Hartnell, was elected freshman representative. Burke graduated from Salinas Union High School and his major is pre-medicine.

Procedure For Expenditures Fully Explained

Procedure governing the charging of expenditures to student body budgets was announced at the regular commission meeting held last Tuesday. Commissioner of Finance Bill Binsacca announced the steps in a detailed form, which was given to all commissioners.

Following is the procedure to be used:

Step one—

(1) You should know where you are going to make the purchase.

(2) The exact price must be known.

(3) The item to be purchased must be clearly stated.

(4) The purchaser must make certain there is enough money to cover the item in his budget.

Step two—

Fill out a requisition slip at the main office. After this has been done, the advisor's signature must be obtained on the requisition, and it must then be placed in the box of the commissioner of finance. Either the commissioner of finance or the comptroller will mail it unless the purchaser wishes to take it.

Time for meetings was changed from the regular Tuesday time to Friday at noon. This change was brought about as a result of conflicts in schedule of several commissioners.

Announcement that the rack for the station wagon had been purchased, at a cost of \$79, and will be fixed to the vehicle, was made by Ken Yoder.

Tentative supreme court was suggested by Yoder, but the group suggested was not accepted by the

Jack McCormick Heads Freshmen

With runoffs yet to be held, it was announced last week that Jack McCormick, the only nominee for president, was elected to lead the freshman class through the fall semester.

Hector Burke weathered a campaign to write in Earl Edams as freshman representative to the commission by a clear margin. Sally McAnaney outdistanced her only opponent, Bonnie Pilliar, in votes for the secretarial post.

In the runoffs, the vice-president will be chosen from Ray Welch and Richard Sargenti; while Joyce Toney and Betty Cunningham will vie for the honor of managing the class wealth.

The date for the election to decide which two of the four latter-named candidates will win their respective races for the disputed offices has not been announced definitely as yet, but will probably be set for the week of October 16.

Rules Governing Students in Draft

Students pursuing full-time courses who receive orders for induction while enrolled at Hartnell College may request postponement of induction if they desire, Pres. J. B. Lemos announced this week.

Postponement for the academic year is mandatory upon the local board for all full-time students, according to the Selective Service Act of 1948, Mr. Lemos said. He emphasized that while "postponement" was mandatory, a request for "deferment" is optional with the local board.

Give — Get Truth Behind The Iron Curtain

September 25, 1950

Dear President Lemos:

There is no one who has a greater stake in the result of the battle for men's minds now rampant in the world than have the young people of America. Therefore, I am confident that college men and women will want to take an active part in the CRUSADE FOR FREEDOM; that they will want to stand up and be counted in the roll call for world freedom; and that they will welcome the opportunity to help pierce the Iron Curtain by helping Radio Free Europe broadcast the Big Truth to an ever-widening audience of peoples behind the Iron Curtain. That is the objective of the CRUSADE FOR FREEDOM, sponsored by the National Committee for a Free Europe, Inc.

On October 24, when in Berlin we dedicate the Freedom Bell, we are all going to be proud of the millions of Americans whose names on Freedom Scrolls will be enshrined with the Freedom Bell—probably most proud of the names of young men and women who stake their future on our success in this CRUSADE.

Therefore, in my capacity as National Chairman of the CRUSADE, I know that I can turn to you, who work so closely with these young people in our great free American institutions, for your support and co-operation.

Sincerely,

LUCIUS D. CLAY, Chairman
CRUSADE FOR FREEDOM

Field Day And Dance Will Highlight Men's Week

Next week is Men's Week at Hartnell College, and it looks like the men are going all out to see that it is a big success. The annual Field Day, whisker and ribbon judging, will be held Wednesday, with competition between the frosh and sophs the main order of the day. On Saturday night, following the football game with Stockton, the Men's Club will sponsor a dance in the men's gym.

Prof. Hawgood Will Speak Here

An outstanding assembly program has been scheduled for Friday, October 13, which will bring Prof. John A. Hawgood before the Hartnell College student body. His subject will be, "British and American Elections."

Professor Hawgood will make his appearance at Hartnell while he is on a tour of West Coast college and universities. He will speak at U.C.L.A., Claremont, and Occidental before coming here. The program is being arranged by Dr. Luella Hall, who met the speaker while doing research at Stanford university the past summer.

Among his achievements, Professor Hawgood has served in positions with universities, both in the United States and abroad. He has been the author of several articles.

(Continued on Page 2)

Bonnie Hearn Sophomore Head

Bonnie Hearn was elected to head the sophomore class in their election, held last week. Ralph Hitchcock was named vice-president, and Betty Lee will serve as secretary-treasurer.

Miss Hearn ran unopposed after James Miyasato withdrew from the election. She has served as freshman representative and women's representative in previous years. Her major is physical education and physical therapy.

Hitchcock defeated Bob Dragoo in the only contested race in the election. He is a member of Alpha Gamma Sigma and is a civil engineering major.

Miss Lee, who also ran unopposed, served as student body secretary last year and is a physical education major.

Following is the schedule of classes for Field Day, Wednesday, October 11, as announced by President John B. Lemos:

Class	Time
8	8:00-8:40
9	8:45-9:25
10	9:30-10:10
11	10:15-10:55
12	No Class

2	11:45-12:25
3	12:30-1:10

dish, and if last year's dinner is any indication, there's good eating in store for all who attend.

Whiskerino and Ribbonero judging will be held after the dinner, and prizes will be awarded in many divisions and classifications. A program of entertainment has been planned and will bring talented persons before the audience at the dinner. Dancing will follow the entertainment.

Plans call for many buses to be held at the college until after the dinner and entertainment. Any person who wishes to sign up for participation in any of the activities may do so on the sheets posted on the main hall bulletin board.

Letter To Editor

To UnCo-operative Students:

We yell leaders are disgusted at the spirit and attitude the students displayed in the rooting section last Friday night. If you haven't the energy to yell, even the least bit, then let someone who might yell have your seat.

This year we've got a good football team, but why in the world should they get themselves bruised and battered for an ungrateful student body who won't even give them support. If we were to name those students who did co-operate and yell with us, the names would hardly fill a quarter of this column. On the other hand, if we were to name those who didn't yell, we would fill up almost half a page, and leading this list would be some of the STUDENT BODY OFFICERS.

This year there is a five-foot area parallel to the field which the yell leaders must stay within, or we would be penalized. This limitation still gives us ample space for you to see and follow us.

If you don't want yell leaders, say so, but try organizing your own yells. If you have any suggestions on improvements, tell us; we will listen. But, by not co-operating with us, as shown last Friday, you are proving yourself undeserving of the card you hold to be admitted to the rooting section, and we might as well open it to the public.

PAUL, DOT and LUCY

(Ed. Note: It sounds like this is a legitimate protest, and the yell leaders are fair enough in their

Alpha Gamma Sigma Names Gayle Caskey

Gayle Caskey was chosen as president at the last meeting of Alpha Gamma Sigma. Other officers are John Hendrickson, vice-president; Peggy Maneely, secretary; and Arthur Hedges, treasurer.

Twelve new members have joined the honor society. They are: Phyllis Lou Butters, Warren Dean Davidson, Mary Elizabeth Ferris, Dolores Anne Fosselman, Peter Bernard Fosselman, Albert Battista Giraud, James Franklin Kubik, John Robert Hendrickson, Betty Jean Kroegh, Arthur Joseph Hedges, William Jordan Moger, Donald George Stoffey.

The society will have full charge pertaining to all matters of the queen and her float on Homecoming Day.

Alpha Gamma Sigma's choice for the position of queen is Phyllis Butters.

plan to change things. The outcome of this problem is not up to the yell leaders, for they are doing more than their share. It will depend upon the spirit and pride of the students for which the football team is playing.)

Alumnus Curator Of UC Museum

A former Hartnell student, Dick Shutler, is now curator of the archeology museum on the University of California campus. Shutler also has written a paper on the prepottery lithic horizon in the Verde Valley, Arizona.

The paper deals with an excavation done by Shutler and other students, in Arizona. Shutler is working for his Ph.D. at the University of California. He graduated from Hartnell in 1942.

Hartnell A&M Takes Honors at County Fair

Entries from Hartnell A. and M. at this year's Monterey County Fair were not as successful as the ones at the Santa Cruz County Fair a few weeks ago.

In the Hampshire hog class, first prize was taken by the senior boar. First and second prizes were taken by the junior sows.

Champion of breed on junior sow pigs took fourth on three groups of get of sire; fourth on produce of dam; and fourth on young herd.

Berkshire hogs took third on the junior sow pig; fourth on three groups of get of sire; fourth on produce of dam; and fourth on young herd.

In the Hampshire sheep class, first and second prizes were taken by ram lambs; first and second prizes were taken by ewe lambs; first prize by get of sire; and first and second prize taken by young herd.

The Corriedale sheep took fourth prize by the yearling lamb and second prize by the young herd.

Suffolk sheep took third on ewe lamb; third and fourth on ram lamb; third prize was won by the young flock; and second prize was won by the get of sire.

Hartnell Represented At Monterey Fair

Hartnell highlights at the Monterey County Fair last week end were booths from the home economics and dramatics departments. The home economics booth was operated with the junior and senior high schools and Hartnell. Hartnell exhibited foods and nutrition, clothing and textiles, home furnishings, and home management.

The dramatics booth, sponsored by Delta Psi Omega, featured action pictures from past plays. Season tickets to the department's forthcoming productions were sold.

commission because there was only one woman on the group. Women's Representative Barbara Johnson objected to the makeup of the court, and in a vote, her objection was approved by the commission.

Schedule For La Reata Pictures Is Announced

Sophomore pictures for the 1950 La Reata will be taken starting October 9. Pictures will be taken by Mr. Hurl Swartz, and a deposit of \$1.55 will be required at the time the picture is taken.

Picture appointments have been arranged by La Reata staff and will extend over the next two weeks. Women will have their pictures taken first.

Women are to wear sweaters with pearls, a collar, or plain, La Reata editors said. La Reata pictures will be taken in this uniform attire in order to give a pleasing appearance to the pictures in the annual. Three other poses, as the students desire, will be taken by Mr. Swartz.

Sophomore Editor Marge Raines urged women to wear white or pastel color sweaters for La Reata pictures.

Men students, with their beards removed after Field Day, will start having their pictures taken next Friday.

Following is a list of appointments for next week. Persons who cannot keep the appointment are requested to notify Mr. Swartz or Mr. Stuart Dufour, La Reata advisor, or to arrange a trade with some other student.

Monday, October 9:

Carla Adams, 9:00; Drusilla Albernaz, 9:15; Nancy Bardin, 9:30; Wanda Beckham, 9:45; Ruby Bennett, 10:00; Shirley Bequette, 10:15; Joan Bode, 10:30; Norma Brown, 10:45; Wilma Brusa, 1:00; Phyllis Butters, 1:15; Beverly Carlson, 1:30; Gayle Caskey, 1:45.

Soph Representative Bill Bell and Men's Representative Bill Temple voted against the proposal.

Information For Business Majors Now In Room 5

Any student in Hartnell can go in room 5 at any time and look over the bulletins and magazines that will help in choosing a career. Students also can look in the vocational files in the library.

These files, magazines, and bulletins can be of great value to students who are undecided on their professional careers.

In room 5, also are civil service announcements on the magazine rack. These announcements tell what jobs are open, what are the requirements, and what are the salaries. There are more recent announcements in room 1.

Mr. Addison, the occupational division dean, is hoping the students will take advantage of this material.

CAMPUSOLOGY

By ELMER ANDERSON

The Hawaiians now have a new nightly slam-bang. What is it? Why, the freshman stand the sophomores in a free-for-all. The sophomores always win when Jim "Itchie" Miyasato is there.

The free-for-all consists of getting a person down on the floor, with a couple of fellows holding him down. The brave ones then move in and twist their knuckles down on their victim's chest.

They are also flipping for their lives. One person will match another one and the person who loses gets told what to do for 24 hours. If the person doesn't do it he gets the free-for-all. What a wonderful choice!

If you think this isn't a lot of fun ask Ralph Gora. He will tell you how much fun it really is.

The Santa Cruz bus riders now hold a choir meeting in the back of the bus every day.

The accompaniment for this choir meeting is none other than Warren Montagne and his "Oklahoma" ukelele.

Thank heaven! The vigilantes finally got moving.

If anybody has seen any freshman boys walking around with their clothes turned inside out, don't think anything of it. It is just the doings of the vigilantes.

Some of the strong men here at Hartnell are not men. One of them is a she. And who is she? She is Darlene Phelan.

The vigilantes tried to put one of the stockades on her and what did Darlene do? She up and broke it. Ye gads, what is this world coming to?

I think some special consideration should be given to our rooting section.

The rooting section did not co-operate at all with the yell leaders. Paul Freibel, Lucy Papac, and Dorothy Smith were doing the best they could to lead you people in yells. And their best as far as I'm concerned is darn good.

Now, at the next home game, let's get out there and yell for both the team and the yell leaders.

It looks as if Coach Ab Wilson and Assistant Bill Whited have gone big time. They now have a telephone running from the press box down to the field.

Bill sits up in the press box and lets Ab know what is going right or wrong out on the field. Some of you might be wondering why Coach Wilson can't see it from the ground—he is tall enough.

Westminster Will Elect Officers

Westminster Club officers will be elected at the next meeting of the club Friday, October 13. Refreshments will be served and entertainment is being planned by Faith Walker, chairman of the meeting. The meeting will be sponsored by Hartnell's Methodist students.

On the nominating committee for the club are Faith Walker, chairman, James Kubik, and Bonnie Hearn. Charles King, James Kubik, and Edna Rasmussen have been nominated for the offices of president, vice-president, and secretary-treasurer, respectfully. Other nominations will be taken from the floor at the forthcoming meeting.

All protestant students are invited to attend the meeting Friday, October 13.

Canterbury Club Will Hold Drives

The Canterbury Club is going to have a clothes and book drive before Homecoming. The books which should be text books from high school and college level, are going to be sent to the Philippines where they will be distributed to the schools.

The club will meet twice a month but the meeting time has not been set as yet.

At the last meeting Sally McAnney was elected to represent the Canterbury Club for Homecoming Queen.

Mary Manteufel To Head WAA

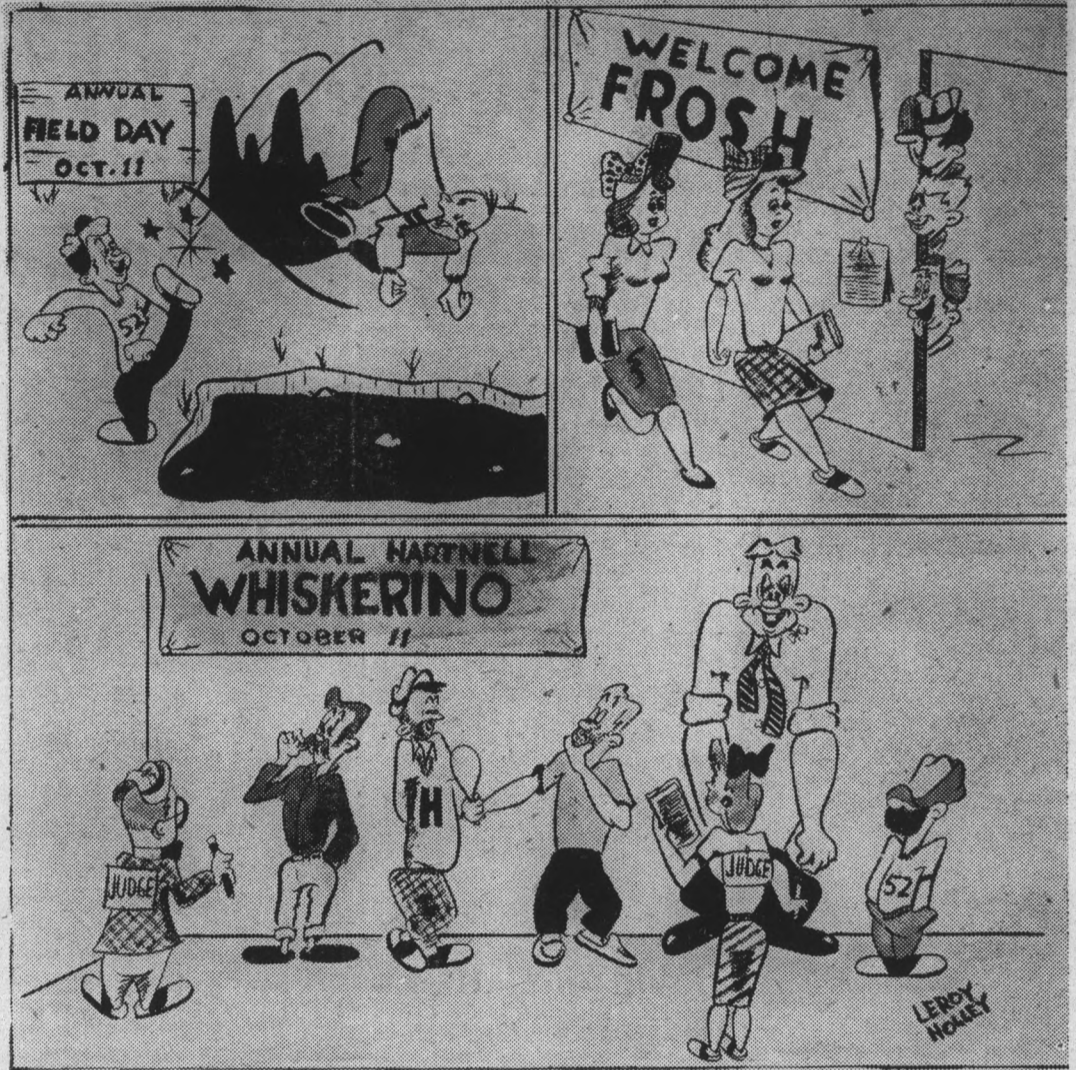

Mary Manteufel, new president of the W.A.A. held her first meeting last Monday at 11 o'clock. Her officers are Lois Ogden, vice president; and Dorothy Smith, secretary.

W.A.A. has planned a program of sports for all girls. The games will take place every other Friday at noon. All sports are to be played.

two classes in the college, so each student should make it his duty to participate in the activities of the day and help make it the great success it could be and should be.

Lois Lyons Newman Choice

Newman club had a Communion breakfast at the home of Mr. and Mrs. M. A. Stoffey last Sunday. After the breakfast the club paid a visit to San Juan Mission, followed by a picnic at Bolado Park.

The Newman club's candidate for Homecoming Queen is Lois Lyons. Her publicity chairman is Hector Burke.

This year there are 30 paid-up members of the Newman club which is an increase of 20 per cent over last year.

ATTENTION DEBATERS

All students interested in a debating activity should see Mr. Harry Davidson either today or next week. If enough students turn out, there will be debating with other schools.

Phyllis Butters Heads UGC

Last Friday, U.G.C. had its first meeting under its new President Phyllis Butters. She introduced her new officers Lucy Papac, vice president; Margy Rains, secretary; and Beverly Krikac, treasurer.

The purpose of the meeting was to elect U.G.C. Homecoming candi-

date for Queen. Their choice was Lucy Papac.

U.G.C. is also sponsoring the sophomore tea for the freshmen. The committee was chosen for the tea, Elinor Schultz and Nancy Farac. As of now no date has been set for the tea.

Panthers Win Opener

The Hartnell Panthers proved to the fans last Friday that they are not to be taken lightly in the 1950 season. They showed considerable skill in handing the Taft Cougars a 33-13 trouncing. The Taft team entered the game with very high press notices which they failed to justify in their opening game.

The game proved not only the offensive potentialities of the Hartnell squad, but also that they are strong defensively. The offensive team succeeded in building up the score while the defensive unit held the Cougars in check. Another satisfying sight witnessed by the Panther fans was the team co-ordination and spirit shown by the local team.

First score of the evening came when Taft fumbled in the end zone and tackle John Piini crashed through to nail the Taft man who recovered the ball and gave Hartnell a two point margin for the safety.

Six more points were added to the score for Hartnell when Ev Skrine took a punt on his own 44-yard line and, with the aid of a fine block by Piini, sprinted down the sidelines to pay dirt. Piini then split the uprights to bring the total to nine points.

Taft broke into the scoring late in the first half with a fast breaking play from deep in their own territory which went all the way.

Hartnell used an abundance of good scabacks, and it was these men who did the scoring for the Panthers.

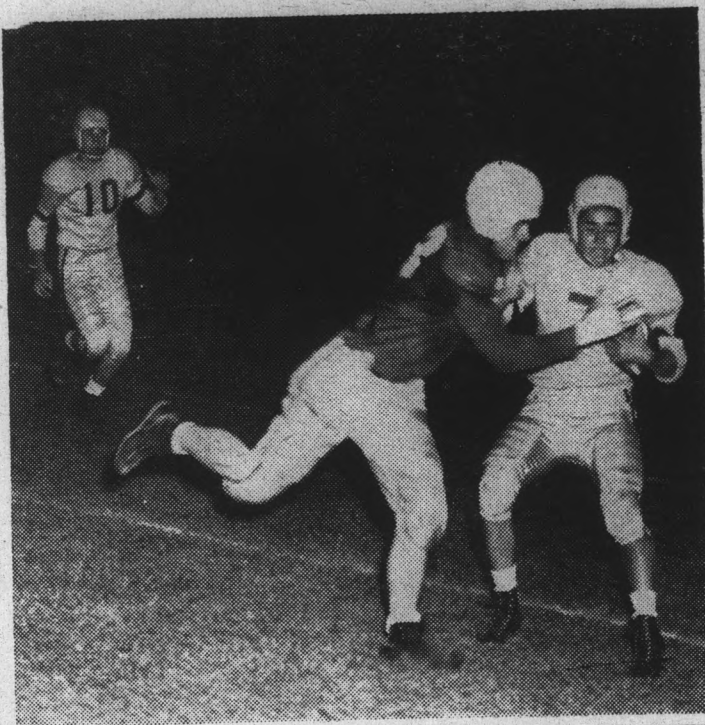

The Panthers showed that they were not a first-half team by advancing a heavy scoring final half. The first of four tallies came when Frank Paz shifted into high gear and scooted all the way in for the score. The conversion failed to materialize.

The other three touchdowns were provided by the fancy running of Frank Ryder, who was the hero of the day. In all three instances the attempts for conversions were no good. Ryder left no doubt in the minds of the Taft opponents about his skill as a runner.

The final score for Taft came as the result of a long, sustained drive. It was climaxed by a pass which was directed over the heads of the Hartnell safety men.

Probably the best thing shown by the team last Friday evening was the evidence of depth and the apparent physical conditioning of the members of the team. Much credit is to be given to coach Ab Wilson and his assistants for the fine job they have done.

RYDER GAINS FOR HARTNELL

Jackson Gathers Game Statistics

Statistics following Hartnell's first game show a promising record being built by the Panther players. Some of the backs performed outstandingly and will have to work hard to retain their records. The Hartnell passing record is not up to the standard desired, but first night butterflies may have been a contributing factor.

Following are the statistics gathered at the Taft game by George Jackson:

League Teams Score High

Scores which might prove interesting to the fans who are following the Panthers are those of Hartnell's future opponents. Last week M.P.C. beat the Visalia Giants 25-19. Modesto topped Los Angeles City College 20-12. C.C.S.F. smashed Vallejo 53-7.

Stockton, Hartnell's next opponent, made a show of power by leaving Placer behind 34-0. It should prove interesting to compare these scores with others in the future.

Game on KDON

For those who cannot make the long trip to Fresno, KDON will be on hand, as usual, to carry the game over the air. By turning to 1460 on your radio tomorrow night at 8 o'clock you will be able to follow the play-by-play description of the Panther's game.

Handling the air waves on behalf of Wickenden's, The Sportsman, Pedrazzi Motor Company, Associated Chemical Company, and Youngman's will be Bob Gregg.

Hartnell Hits Road

The Panthers meet the Fresno J.C. Rams tomorrow night on the Fresno turf in what promises to be a slam-bang game. Despite the fact that the Rams were defeated by our neighbors by the seashore two weeks ago, Fresno is not to be held as a push-over opponent. Actually the Fresno team out-gained the Lobos on the ground, showing a powerful line attack.

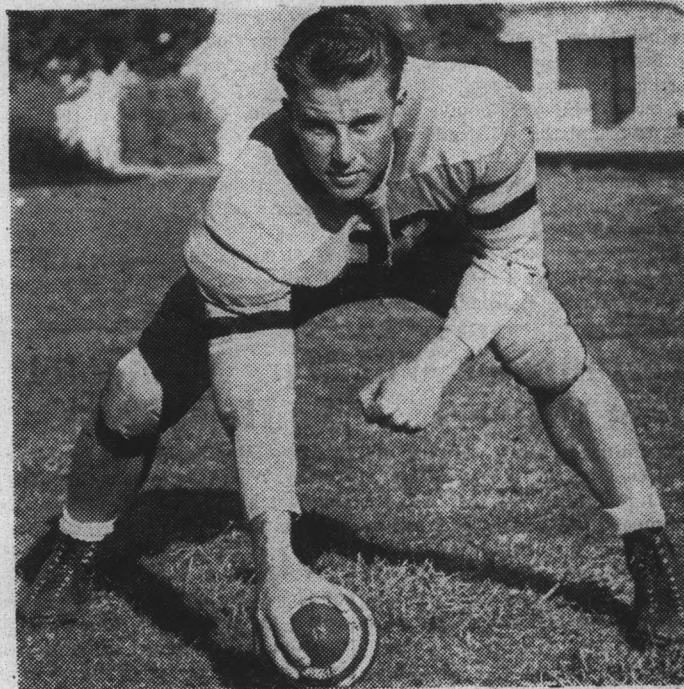

Word from Fresno is not as fearful as that which was forwarded by Taft, and it is easy to let a feeling of over-confidence prevail. Actually, the Fresno roster shows a team averaging about 180 pounds, and listing several speedy and hard running backs. Fresno is known to have used trap plays and passes to

fingerwell and Ferreira, guards; and Burton, center. The backfield will include: Frankie Paz and Ev Skrine, halfbacks; Jim Miyasato, fullback; and John Gerard at quarterback.

Much substituting can be expected tomorrow night by the Hartnell team for the reserves have shown their capabilities and will be invaluable in relief roles. Big John Piini has been working this week on his conversion kicking and is hoping to come up with a better average in the point after touchdown column.

The game will be sponsored as a Shrine benefit game and all seats will be reserved. Free tickets were sent to Hartnell for students interested in the game.

GAME CAPTAIN BOB BURTON

good advantage in their scoring plays.

Coach Wilson has named Bob Burton to lead the Panthers this week against the Rams at Fresno. Bob will be starting the plays from his center position, and will be making himself heard-of among the Fresno team. Burton was one of the Hartnell men named on last year's all-conference team.

The Hartnell line-up will feature the same starting group as that of last week: Jackson and Dias, ends; Piini and Roebuck, tackles; Lef-
